

# The Bar2 Monthly September edition

## Maritime Transport Slashes Driver Turnover with Targeted Loyalty Incentives

Maritime Transport cut turnover to a decade low with loyalty schemes like bonuses and tenure-based payments — a crucial move as the sector battles high vacancies, rising wages, and an ageing workforce.

Get exclusive insights on the Driving Sector for 2025 and beyond now!

## £100 million investment into affordable housing

The UK government is injecting £100 million into affordable housing to help smaller builders deliver thousands of new homes.

## The Friday Payroll Club 🎧

Join us every last Friday of the month as we break down payroll, compliance, and industry trends — without the fluff!

In August's episode, Joss Lowery, MD of Bar2 joins us to break down the 2026 umbrella legislation including; where it began, how it got so tangled, who's most exposed, and the advice Recruitment Directors and End Users need to steer clear of risk.

Don't miss out - listen now!
